

RUN THE MONEY MEDIA KIT

GET NOTICED ON
RUNTHEMONEY.COM & FINANCIALBIN.COM

HEY THERE, I'M DAVE.

I've spent over a decade in the online media world covering personal finance and entrepreneurship. I did well enough with my Run The Money brand to write for Forbes and GOBankingRates. My work has also been featured on AOL, Bankrate, MSN, Nasdaq, and Yahoo.

Today, my focus is on helping others with their financial goals. If you have a message you want to share with the world regarding business, entrepreneurship, finance, health or wellness, let's partner together. I want to help you get noticed and help you connect with your target audience.

CONTRIBUTOR PACKAGES

We offer different packages if you choose to become a contributor for RunTheMoney.com and/or FinancialBin.com. Prices below represent the monthly charge for an annual agreement to be paid before service starts. If you decide to pay month-to-month, the price for each package increases by 25%. We can discuss custom options for article/link insert packages if needed.

NOTE: For article packages, you will receive a contributor account to post a draft of your content for approval. There is a \$10 fee per article if you require us to post it. For link insertion packages, we will post the link for you in the content.

- Social media sharing on all networks.

WORKING WITH RUN THE MONEY

TESTIMONIALS

"David's openness in taking the extra mile in helping fellow entrepreneurs is always admiring. He is super sharp and creative about what an audience is looking for in the content. It was my absolute privilege to work with him, and I hope that it happens again."

— **Pooya Abka, Intaker**

"Dave featured my story in Forbes, and I was truly honored and humbled. I couldn't have picked a better person than Dave, because he took my heart and put it into written word. When I read it, I was blown away and couldn't believe it was me! Dave Domzalski in my opinion is one of the most talented and compassionate men I know."

— **Sean Mulroney, The Obesity Revolution**
